

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
Richmond Division**

IN RE:

Case No. 08-35653-KRH

CIRCUIT CITY STORES, INC., et al.,

Chapter 11 (Jointly administered)

Debtors,

RESERVATION OF RIGHTS RE: OBJECTION FOR VOTING

Google Inc. received a "Notice of Debtors' Objection to Certain General Unsecured Claims for Voting Purposes Only" stating that the Debtors intended to allow Google's vote for or against the Debtors' proposed plan of reorganization (should it chose to vote) to be valued at an amount lower than that Google Inc. claimed in the Proof of Claim Google filed (numbered 5980).

While the face of the motion is explicit that the objection applies only to voting, certain language in the motion could be read to suggest otherwise.

This statement is filed by Google solely to confirm that the reservation of rights set forth the Debtors' current objection is reciprocal as to the creditors and that Google Inc. does not waive any defense to any objection to the allowance of Google Inc's claim for purposes other than voting.
